

2015 North Alabama Team Camp

July 13-14 2015 at Muscle Shoals High School (AL)

Suggestions for Footballs at Camp

- 🏈 Please mark clearly any footballs you bring to camp.
- 🏈 You should only bring **ONE football per Quarterback**, clearly marked as belonging to your school. Your QB should bring this ball with him to all drills, and this is the ball you should use for 7 on 7. Your QB will be responsible for the ball.
- 🏈 You should also bring **ONE football per Kicker**, clearly marked as belonging to your school. Your kickers should bring these balls with them to all drills that involve the kicking game, especially when Coach Mike King will be conducting a kicking development session solely for your kickers.
- 🏈 Please **DO NOT** bring extra footballs as these only get mixed up with camp balls. Please check all your footballs and make sure they do not belong to Muscle Shoals High School or N.A.T.C. **BEFORE** you leave!!!
